

When you “Flexirent”, you now get a “Complete Protection Package” in addition to other benefits.

Business

**For Office Technology, IT and Computer Equipment**

Flexirent is a sensible way to pay for technology such as computers, office equipment, digital cameras and IT equipment. You can spread the cost of equipment over its useful life, yet it is flexible enough to allow you to upgrade to new equipment at any time. (Conditions apply). You select the equipment from the dealer of your choice. There is no deposit and the low monthly payments are typically tax deductible for people using equipment mainly for business. In addition to being covered by a “Complete Protection Package”, “Flexirenting” offers many other advantages.

**Cover against Theft, Loss or Accidental Damage**

You are automatically covered should the equipment be lost, stolen or accidentally damaged anywhere in Australia, New Zealand or overseas\*.

Equipment will either be replaced or repaired.

(\*Overseas cover limited to return trips of 28 days or less)

**24 hour\* replacement If your computer is in for repairs**

If the computer has to be repaired at any time during the agreement, simply report it and a notebook will be couriered to you as a “loaner” within 24 hours\*.

(\*Delivery may take longer to non metro areas)

**PC Tracker Software to locate stolen equipment**

All computer customers will receive free PC Tracker software to help trace stolen computers and recover valuable files.

Once the stolen computer logs onto the internet, it transmits the location to Flexirent’s security service.

**More flexibility and better end of term options**

**Early Swap Option**

You can swap to new equipment in the last 3 months of the agreement and the remaining payments will be waived.

Simply return the equipment in good working order and take out a new agreement for equal or greater value\*.

**“Double Time” lease extension**

To keep using the old equipment after the end of the rental term, just make one additional payment (equal to a normal monthly payment) and you will double the original rental period, with no more to pay.

And, you are still covered for theft, loss and accidental damage and 24 hour “Loaner” equipment.

### **Fast & convenient**

Application is by phone from your dealer, or you can get pre approved from your home or office. You can Flexirent from \$500 - \$25,000 and get approval in minutes.

### **No deposit. 100% lease financing**

You simply pay the first month's rental, then take the equipment away. This allows you to conserve your vital working capital.

### **Tax deductible payments**

As the equipment will be used for business purposes, your monthly payments are typically fully tax deductible.

### **Select the term that matches your budget or the use-by date of equipment**

You can choose the term that suits you – from 12 months to 36 months

### **Include software and other costs**

You can Flexirent your entire computing solution, including software\*, peripherals, extended warranty. "Flexirenting" will often enable a better overall solution as the additional monthly cost for Flexirenting the "best" solution is more affordable when spread over the rental term.

### **Swap equipment or add on to your agreement**

During the rental term, you can add more equipment, or swap. It's easy to do. One phone call is all that it takes to arrange it.

### **Carbon offset option**

You can offset the carbon emissions linked to your equipment by contributing \$10 (per computer) to Flexirent's authorised conservation fund to plant trees.

### **Salary packaging for employees**

Businesses with more than 50 employees can offer Flexirent to their employees for Salary Packaging notebook computers and other approved items. In addition to the benefits of complete protection and flexibility, they will also be paying in pre-tax dollars. It means that all employees get the equivalent of a 100% tax deduction in advance. However, the Employer must vouch that the equipment is being used for work purposes. This is a huge advantage for home budgeting.

Thus the reduction in their monthly payments would be:

SAVE 31.5% if you earn between \$30,001 and \$75,000

SAVE 41.5% if you earn between \$75,001 and \$150,000

SAVE 46.5% if you earn over \$150,000

There are also benefits for the employer and you will be required to register with Flexirent to make payments on their behalf.
