Certain Windows Vista product features require advanced or additional hardware. See <http://www.microsoft.com/windowsvista/getready/hardwarereqs.msp> and <http://www.microsoft.com/windowsvista/getready/capable.msp> for details. Windows Vista Upgrade Advisor can help you determine which features of Windows Vista will run on your computer. To download the tool, visit <http://www.windowsvista.com/upgradeadvisor>.

To download the latest Adobe Acrobat Reader, please go to the Adobe Website.. Adobe, the Adobe logo, and Adobe Acrobat Reader are trademarks of Adobe Systems Incorporated.

* Not all Windows Vista features are available for use on all Windows Vista Capable PCs. All Windows Vista Capable PCs will run the core experiences of Windows Vista, such as innovations in organizing and finding information, security, and reliability. Some features available in premium editions of Windows Vista -- like the new Windows Aero™ user interface -- require advanced or additional hardware. Check www.windowsvista.com/getready for details.

Note: Information published at this site may refer to products, programs or services that are not available in your country. Consult your local HP business contact for information regarding the products, programs and services that may be available. *Prices set out herein are HP's recommended retail prices and inclusive of GST and exclusive of delivery at the time of publication. Prices, promotions, specifications and availability are applicable to Australia only and may change without prior notice. Prices are exclusive of options, accessories and consumables. Despite our best efforts, a small number of items may contain pricing, typography, or photography errors. Acceptance of order is subject to validation of correct prices and promotions by HP. Prices and offers given above may vary from reseller prices and offers.
